Paul,

The university's records officer has concluded a review of your requests regarding records pertaining to Chancellor Woodson's participation at the ACC Council of Presidents meeting in September.

On Oct. 18, we delivered to you by email all records responsive to your request for correspondence to and from Chancellor Woodson related to the council's vote on ACC sports championships.

Regarding your follow-up request about the nature of the vote, the Chancellor agreed to confidentiality with the ACC Council of Presidents. In addition, Chancellor Woodson did not discuss the vote at the NC State Board of Trustees meeting you referenced, and as such, there were no meeting minutes regarding the vote.

Beyond what was already provided, NC State does not possess any additional records responsive to your requests.

Thank you,

Fred
