Mr. Chester,
I've checked and our records officer is out today. My understanding is that you will receive the public records you've requested next week. There is no public record of the vote and the proceedings of the ACC are confidential.

Dear Chancellor Woodson,

Thank you for responding. Is there a reason why you could not simply answer the question in your reply? Did you vote in favor or against the ACC action to move the neutral site championships from North Carolina this academic year?

Would appreciate your answer.

Dear Chancellor Woodson,

I am writing, pursuant to North Carolina's Public Records law (§ 132-1. "Public records" defined), to request that you disclose how you voted as a member of the Atlantic Coast Conference Council of Presidents, in that panel's decision to remove all neutral site sports championships for the 2016-2017 academic year from the State of North Carolina. The move was announced by the ACC on September 14, 2016, as published here on the Internet:

<http://www.theacc.com/news/statements-from-the-atlantic-coast-conference-09-14-2016>

And it was reported in the media here:

<http://abc11.com/sports/citing-hb2-acc-pulls-neutral-site-championships-from-nc/1511326/>

For your information, last week I also submitted a public records request to NCSU's public information officers for information related to this matter.

Thank you for your attention and I look forward to your prompt response regarding this important issue.

Respectfully,
